ABSTRACT GUIDELINES

Abstracts will only be accepted using this form, and submitted by email to zorabsymposium@bsrf.co.uk. Your abstract will be acknowledged by email upon receipt.

The deadline for submission is January 30th at 12 pm. Late submissions will not be accepted.

By submitting an abstract or poster you or your co authors are agreeing to:

Register and attend the meeting

BSRF publishing the abstract on their website/programme

If accepted, present within the time frame given by the IPZS steering committee

No linked abstracts will be considered. Each Abstract will be considered on individual merit.

POSTER GUIDELINES

Space will be available in the Great Hall for poster presentations. The space is allocated on a first come, first served basis.

Maximum size for posters is A0, portrait.

Please include, title, presenter name, institution, author name.

Font size minimum 16, please do not use a dark background

Posters can be mounted from 8.00am on Thursday 15th June 2017. Posters must be removed by 15.00 16th June

posters that are not removed, will be discarded.

There will be a dedicated poster & pimms session during the symposium, however we would be grateful if the poster is

on display throughout the meeting.

The British Scoliosis Research Foundation cannot take responsibility for the published content of the abstract, or loss/damage to posters.
